Dr. Jimmy DeYoung of Prophecy Today Ministries will be your host and Bible prophecy teacher during this once-in-a-lifetime cruise and tour.

Our adventure starts with a flight to Rome, Italy. Upon arrival in Rome you will be transferred to a deluxe hotel for dinner and a night of rest.

On Sunday we will check out of our hotel in Rome and travel to the Italian port city of Civitavecchia to board Royal Caribbean's Navigator of the Seas, our home for the next seven nights. After check-in procedures are completed, we can acquaint ourselves with the ship's facilities or just relax. The ship departs Civitavecchia at 5:00pm.

The first stop on our cruise is Messina, Sicily. The day is at leisure for you to explore this lovely town. You may choose to take a walk through the Duomo, the town's main cathedral in the Piazza del Duomo, and view the world's largest astronomical clock, Orologio Astronomico. It is set in a 197-foot bell tower and when the bell strikes noon, it comes to life. As Ave Maria begins playing on a loudspeaker, the bronze mechanical figures start to move. A lion roars, a bird flaps its wings, and two historical heroines take turns ringing the bell, all before it ends with a statue of Jesus appearing from a tomb. We depart Messina at 7:00pm.

Tuesday is a day at sea to enjoy our cruise ship. The Navigator features some of the cruise industry's most amazing amenities - a rock-climbing wall, a basketball court, an ice-skating rink. This 138,000-ton nautical wonder has it all. After dinner on the ship, Dr. DeYoung will lead us in a Bible study to prepare us for our tour of Ephesus.

On Wednesday we arrive in the Turkish port of Kusadasi. We will disembark the ship and drive a short distance to the ancient city of Ephesus, the greatest city in Asia Minor during the Roman Empire and the home of one of the Seven Churches of the Book of Revelation (Revelation 2-3). Ephesus was the largest city the Apostle Paul visited, and where he lived three of the four years of his third missionary journey. After Paul started the church there, John would take over as Pastor, and would later go on to write the Book of Revelation.

Sites at Ephesus include: the Temple of Diana, one of the Seven Wonders of the Ancient World; the facade of the Library of Celsius; and the Grand Theatre where Paul attempted to confront the followers of Diana. Just outside Ephesus we will visit the Basilica of St. John, erected over his grave by the Emperor Justinian. There you will see one of the earliest baptistries of the church that exists today. After touring, there will be time for shopping in the local craft shops known for their carpets, jewelry, and leather goods. After dinner onboard Dr. DeYoung will lead us in a Bible study to prepare us for our tour of Athens.

Thursday brings us to the port of Piraeus and the famous city of Athens, Greece, the birthplace of civilization. Once the ship docks in port we will board an air-conditioned motorcoach, and take a tour of this historic city. Our first stop will be the Acropolis and the iconic Parthenon. Originally built as a temple to pagan gods and later used as a storehouse for ammunition during more recent times, the Parthenon is perhaps

the region's most recognizable historic monument. We will also visit Mars Hill where Paul preached to the Athenians that the God that they worshipped without knowledge has appointed a day of judgment, (Acts 17:22-34). On top of Mars Hill Dr. DeYoung will lead us in a short service, followed

by a guided driving tour of Athens where we will see the Ancient Agora, Tower of the Winds, Herodes Atticus Theater, Theater of Dionysus, and the Temple of Zeus. We will also pass the Tomb of the Unknown Soldier, the Royal Palace, and the National Library. Next we will stop for a photo at the "Panathenian" Olympic Stadium.

After lunch you will get a chance to explore the old section of Athens known as the Plaka District where you can stroll through the narrow pedestrian streets, enjoy a coffee, or hunt for bargains in the shops.

The ship stops in Chania, Crete on Friday. Chania is one of the most beautiful cities on this island, and site of the ancient Minoan settlement the Greeks called Kydonia (Kydonia). The site has been continuously inhabited for at least 5000 years. The city's rich history can be traced through historic buildings and monuments with Venetian, Turkish, and Greek architecture. The day is at leisure for you to explore the ancient city of Aptera or the Firkas Fort, which boasts a panoramic view of the Venetian Harbor and the spectacular Venetian lighthouse.

Saturday is a free day at sea. You can relax, take a swim, or enjoy the wonderful facilities on our cruise ship. This evening there will be a teaching session by Dr. DeYoung to prepare us for our time in the seven-hilled city of Rome.

Sunday morning we return to Civitavecchia. Following disembarkation, we will begin an unforgettable tour of Rome. Our first stop will be the famous Colosseum, scene of thousands of gladiator combats. Our tour will also take us past the Circus Maximus, home of the ancient chariot races. Other sites on this memorable tour include Piazza Venezia, the famous Spanish steps, and the Trevi Fountain. After our tour we will check into our hotel for dinner and overnight.

During the last day of our magnificent journey we will visit Vatican City, the Papal residence for centuries. There we will visit St. Peter's Basilica, the most famous church in Christendom, and the Sistine Chapel where we can view

the recently renovated ceiling painted by Michelangelo. We will continue to the Roman Forum, center of public life in ancient Rome. Our next stop is the 2,000-year-old Pantheon, a pagan temple that later became a Christian church. We will also visit the ruins of the Mamertine Prison where it is said that Paul was incarcerated for his beliefs. Our last stop will be the Ostian Way where Paul was martyred for his faith in Jesus Christ. We will return to our hotel for dinner and overnight.

Tuesday morning we will say "Ciao" to Italy and transfer to the airport for our return flight home, having witnessed numerous historic wonders of our Christian faith.
